Knutselen met afval

Tips en advies voor het hergebruiken van "afval". But my father went there once, when I was a boy, and he said it was a long journey through a dangerous country.

"True," the Tin Woodman returned. "So, if you 🗷 will allow me to join your party, I will also go to the Emerald City and ask Oz to help me."

"Come along," said the Scarecrow heartily, and Dorothy added that she would be pleased to have his company. So the Tin Woodman shouldered his axe and they all passed through the forest until they came to the road that was paved with yellow brick. The Tin Woodman had asked Dorothy to put
